

# Loch Sport Primary

## A busy next couple of weeks

December is racing past and we still have so much great learning to do.

On Wednesday the 7th we are heading to Upper Maffra West, near John's property where we will be bush walking to Mt Hedrick where we will get a view of Mt. Margaret and the Valley below. We will also be introduced to the Alpine forest which is different to our local scrub.

Friday we are celebrating Carha's graduation as a school. Carha has asked to go bowling in Morwell and then we'll head back to Sale for a pizza lunch at the skate park at the port of Sale. We are going to miss Carha and her role as our school leader.

Wednesday the 14th we will drive up to Point Wilson at the end of the National Park to meet a charter boat from H2O Tours and Adventures to ferry us across to Rotamah Island (about 15 minutes each way). We will be investigating the island, the bird sanctuary and then heading towards 90 mile beach.

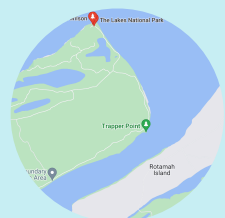

### Wednesday 7th

We are heading to Upper Maffra West to walk up to Mt Hedrick.

### Friday 9th

We celebrate Carha's graduation with bowling in Morwell then a pizza lunch in Sale.

### Wednesday 14th

We have chartered a boat to take us from Point Wilson to Rotamah Island

## Celebration of Learning

Thursday 15th December at 9:00.

Next Thursday we'll be having a celebration of learning. This will be our first one for a long time. Greg will be here to lead the students through some ukulele tunes and some singing.

We will also be having some of the students school work on display that the students can talk to you about as well as flicking through their Bug Blitz journal.

We'll top off the morning with a shared BBQ breakfast.

**Come and see what we have been up to and share some brekky.**

This will also be the time where we formally farewell Carha and tell her how wonderful she is and how we'll miss her.

We are hoping that our new playground will be open by then and we may be able to have a tour and a play.

Please text the school 0499 338 692 with RSVP and total numbers so we can cater appropriately. Friends and relatives are welcome.

## PREP 2023 TRANSITION DAY

On Tuesday 13th of December is Statewide Transition Day.

If you are the parent of a 2023 prep student who will be attending Loch Sport Primary School we are holding a transition morning from 8:30 till 10:45.

This will give them a chance to see the morning routine, do some learning, play some games and have fruit break and morning tea and a little play at playtime. Hopefully our new playground will be open by then.
